GENERAL BUSINESS

1. Consider an ordinance adopting the FY 2016 Budget by a record vote.

Article VI, Section 8 of the City Charter states that "the budget shall be adopted by the favorable votes of at least a majority of all members of the Council." Section 9 states that "the budget shall be finally adopted not later than the twenty-seventh (27th) day of the last month of the fiscal year. Should the Council take no final action on or prior to

such day, the budget as submitted by the City Manager shall be deemed to have been finally adopted by the Council.”

Section 102.007 of the Government Code requires the vote to adopt a budget to be a record vote. In addition, the adopted budget will contain a cover page that includes the statement on whether the budget will raise more, less or the same amount of property taxes as the prior year, the record vote of each member of council by name, property tax rates for the preceding and current fiscal years, the effective tax rate, the effective maintenance and operations rate, the rollback tax rate, and the debt rate, along with the amount of debt secured by property taxes. This information is required to be posted on the city’s website and remain there for one year after adoption of the budget.

The FY 2016 Budget was submitted to Council on August 11, 2015, and reviewed during a work session on August 25, 2015. A public hearing was held on August 25, 2015, which met the requirements of the Charter and state law.

Approval of the ordinance.

The Capital Program was originally submitted to Council on May 15, 2015. It was revised and submitted to Council on August 11, 2015, and reviewed during a work session on August 25, 2015. A public hearing was also held on August 25, 2015.

3. Consider an ordinance accepting the tax roll and establishing the property tax rate for the tax year 2015 (FY 2016).

The Jefferson County Appraisal District submitted the Certified Tax Roll on July 27, 2015, in the amount of \$6,935,933,700. Based on this taxable value, a property tax rate of \$0.69/\$100 valuation for the tax year 2015 (FY 2016) is proposed, which is the current rate. The tax rate would be apportioned \$0.48/\$100 assessed valuation to the General Fund and \$0.21/\$100 assessed valuation to the Debt Service Fund, which is a shift of one cent from the Debt Service Fund to the General Fund amounting to \$673,000.

As required by Section 26.05 of the Tax Code:

"THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE".

Approval of the ordinance.

Councilmember Getz moved to **ADOPT AN ORDINANCE ENTITLED AN ORDINANCE ACCEPTING THE TAX ROLL FOR THE CITY OF BEAUMONT; ESTABLISHING A TAX RATE; PROVIDING FOR LEVYING, ASSESSING AND COLLECTING OF AD VALOREM TAXES FOR THE TAX YEAR 2015 (FY 2016); PROVIDING FOR SEVERABILITY AND PROVIDING FOR REPEAL**. 4. Consider an ordinance ratifying the budgeted property tax increase reflected in the FY 2016 Budget.

Section 102 of the Local Government Code includes the following: "Adoption of a budget that will require raising more revenue from property taxes than in the previous year requires a separate vote of the governing body to ratify the property tax increase reflected in the budget. A vote under this subsection is in addition to and separate from the vote to adopt the budget or a vote to set the tax rate required by Chapter 26, Tax Code, or other law."

Although the tax rate is remaining at \$0.69 per \$100 assessed valuation, the budgeted revenue from property taxes is expected to be \$299,000 more than FY 2015. This amount is all attributable to new property added to the tax roll this year.

Approval of the ordinance.

Councilmember Pate moved to **ADOPT AN ORDINANCE ENTITLED AN ORDINANCE RATIFYING THE BUDGETED PROPERTY TAX INCREASE REFLECTED IN THE FY 2016 BUDGET.** Councilmember Wright seconded the motion.

5. Consider a request to abandon a 20' general utility easement in Block 1 of the McFaddin Heights Additions, Beaumont, Jefferson County, Texas.

Mr. Chaudhry Bashir, on behalf of Arain, LLC, has applied for the abandonment of a 0.06 acre general utility easement. The property is located near the intersection of Martin Luther King Parkway and Isla Street on the north side of Interstate 10 East.

Mr. Bashir would like to construct a new convenience store at this location, but the property he owns is divided by this utility easement. Once the easement is abandoned, he would like to replat the property in preparation for construction.

At a Joint Public Hearing held August 17, 2015, the Planning Commission recommended 7:0 to approve the request to abandon a 20' general utility easement in Block 1 of the McFaddin Heights Additions, Beaumont, Jefferson County, Texas, with the following condition:

The Code of Ordinances currently authorizes two Captain positions. Former Captain Jim Clay was recently promoted to Assistant Chief and former Captain David G. Durst recently retired, leaving these two positions vacant. Chief Singletary would like the City Council to eliminate the two Captain positions and add two Sergeant positions. The total number of authorized positions in the Police Department would remain at 260.

Chief Singletary will evaluate the new management structure for three to six months before making a recommendation regarding Captain positions in the future.

8. Consider granting a new solid waste transportation service agreement with Piney Woods Sanitation – **Second Reading**

According to City Ordinance 22.05.101, no person shall engage in the business of collecting, hauling or transporting, in the city, any garbage, waste or refuse, without first having obtained a franchise from the City. Seven (7) entities currently have nonexclusive franchise agreements with the City and are doing business in this area. Piney Woods Sanitation Inc. has requested that the City Council grant the company such franchise agreement. Piney Woods Sanitation serves southeast Texas with its corporate office located at 517 Hwy 69 North in Huntington, Texas.

The requested franchise is generally the same as those previously approved by City Council. It provides for a term of one year from its effective date and a franchise fee of seven percent (7%) of gross revenues received for service. It also requires the entity to indemnify the City of Beaumont and provide insurance which names the City of Beaumont as a named insured.

According to City Charter, franchise ordinances require readings at three (3) separate Council meetings, with the third not less than thirty (30) days from the first reading. The ordinance does not take effect until sixty (60) days after its adoption on the third and final reading. After passage, the ordinance must be published for four (4) consecutive weeks in a newspaper of general circulation in the city. All publication costs are paid by the franchisee. Attached is a copy of the franchise agreement for your review.

This is the second reading. The first reading was on August 25, 2015.

Spoke to Council in regards to establishing a Civilian Review Board to oversee the Beaumont Police Department, there have been a number of deaths and injuries to citizens due to excessive use of force, as well as a number of misconduct complaints that Internal Affairs refuses to investigate, an agency will not produce unbiased investigations of itself, this is why external oversight is necessary, at this time without a Civilian Review Board to bring grievances to, the only recourse for a citizen is to go to the Justice Department or to Federal Court, stated that if anyone has been injured due to Police misconduct please contact the Beaumont Texas Tea Party at #beaumontexastea
