HURRICANE IKE INTAKE APPLICATION

Frequently Asked Questions (FAQ)

The application asks for my "Current Address." Is it asking about my damaged home?

Not necessarily. We would like to know where you can be reached. It may or may not be the home that was damaged. Specific information on your damaged property is requested elsewhere in the application.

If I apply, are co-applicants required?

SETRPC highly recommends that all adults who were residing in the home on September 13, 2008 and will be residing in the home after completion of this program co-sign the application. Co-applicants may include a spouse, partner, children (above 18) or other adults.

Is ownership of the house at the time of Hurricane Ike required?

Yes. To qualify under this program, proof of ownership and proof that it was your primary residence on September 13, 2008 will be required. Please provide us with a deed or other documentation showing that you have a legal interest in the residence.

Do I have to be current on my taxes?

Yes. However, if you have any unpaid taxes, it is possible to work out a payment plan with the tax office or possibly get an exemption based on age, homestead or other exemptions that might be available.

If I am currently involved in a legal claim against my insurance company, can I still apply?

Yes, you may still be eligible for assistance. Any pending legal matters will be reviewed in determining the eligibility of the applicant.

If approved, do I have to pay back the funds used to fix my home?

No. However, there will be a "Primary Residency Retention Period" that will stipulate that if the home is sold within a period of time after construction is completed, the funds may have to be paid back.

If approved, will I be required to purchase insurance for my home?

Yes, you will be required to obtain and maintain hazard insurance. If you fail to do so, you may not be eligible for future funding.

What happens if I have spent the proceeds I received from FEMA, SBA, or Insurance?

The answer to this question depends on the intended purpose of these funds as stated in their award letters and how such funds were actually spent.

If I had insurance for my (damaged) home at the time of the storm, am I disqualified from receiving assistance?

No. However, please provide us with all information or documentation concerning insurance claims.

How should I fill out the income section of the application if I receive income from several sources?

Do the best you can and tell us as much information as possible because we are required to verify income. However, your income will not necessarily disqualify you from participating. It's better to let us decide if something is relevant.

What items should I attach to the application?

- (1) FEMA Award/Denial Letter
- (2) SBA Award/Denial Letter (if applicable)
- (3) Private Insurance Letter (or letter stating you do not have insurance),
- (4) Copy of Applicant's Driver's License or ID card
- (5) Property Deed (or equivalent)
- (6) Copy of receipts for home repairs (if applicable)
- (7) Proof of income
- (8) Six months of bank statements

- (11) Current copy of retirement/pension statements (if applicable), and
- (12) Current copy of unemployment statement (if applicable).

Will I be asked to provide the information requested more than one time?

Yes, more than likely. As things may change with your situation between the time this application is completed and the time your eligibility status is determined, we will need the most up to date information at all times.

Is the application available electronically?

Yes. Please check our website at <http://www.setrpc.org>.

Can applications be submitted electronically?
