A message from Mayor Becky Ames, April 20, 2020:

The Hotline for the COVID -19 drive through collection site at the Jack Brooks Airport is 409-550-2536. YOU MUST CALL FOR AN APPOINTMENT. At this time, you do not have to be symptomatic to be tested. After the collection is completed you will be asked to go to another location for the test to be sent for confirmation. Again, you must call before showing up. There is no charge for the test when going through this location.

You may have heard there is a charge. That is only if you go to your physician and are sent to a private lab/testing site.

* The accuracy of the Status of COVID-19 test is dependent upon the availability of data received from participating agencies and healthcare providers as well as when it was received with respect to; Total Tested, Pending Results and Negative.
