**A message from Mayor Becky Ames, April 22, 2020:**

**At this time, anyone in our 6 county coalition may call our Emergency Operations Center Covid-19 Hotline, 409-550-2536, to request a Covid-19 test whether symptomatic or asymptomatic. All callers will be tested, but you must call the hotline in order to be tested. Anyone who is tested will need to isolate at home until they receive their test results. Test results are taking approximately 3 to 6 business days to come back.**

\* The accuracy of the Status of COVID-Test is dependent upon the availability of data received from participating agencies and healthcare providers as well as when it was received with respect to; Total Tested, Pending Results and Negative.
