A message from Mayor Becky Ames, April 13, 2020,

Please stay home unless absolutely essential. The sooner we get the positive cases to stop rising and to begin declining the sooner we can begin the process of going back to normal. The more we move around the more the coronavirus will spread. Please stay home. Wash your hands and social distance please.

There will not be a City Council Meeting tomorrow, April 14.

* The accuracy of the Status of COVID-Test is dependent upon the availability of data received from participating agencies and healthcare providers as well as when it was received with respect to; Total Tested, Pending Results and Negative.
