A message from Mayor Becky Ames, May 13, 2020:

Domestic violence related calls to law enforcement are up significantly due to Covid-19. Financial stressors, as well as less opportunity to avoid the abuser, may be putting more people in tough situations. If you are in a domestic violence situation, please reach out to someone, do not suffer in silence. The police department can get you in touch with social services that can help you escape.

* The accuracy of the Status of COVID-Test is dependent upon the availability of data received from participating agencies and healthcare providers as well as when it was received with respect to; Total Tested, Pending Results and Negative.
