A Message from Mayor Becky Ames, May 14, 2020:

This week is National Police Week. I would like to take this opportunity to thank our dedicated officers at the Beaumont Police Department for their leadership in our community. Especially in times like these, they have always stepped up and remained resilient. I would like to send out a special thanks to all of our officers working around the clock at our Emergency Operations Center during the Covid-19 pandemic. If you see an officer this week, please join me and thank them for their service to our City.
