* The accuracy of the Status of COVID-Test is dependent upon the availability of data received from participating agencies and healthcare providers as well as when it was received with respect to; Total Tested, Pending Results and Negative.

Daily Confirmed Cases by Date of Collection

****Disclaimer:** This is the official data collected by the City of Beaumont Public Health. The data being reflected on this graph is only valid as the number of participating healthcare providers and collection sites, and the accuracy of the data reported. All data used for planning purposes. There is a delay from the date of collection to when results are received by the Beaumont Public Health Department. Updates to the data are

A Message from Mayor Becky Ames, May 15, 2020:

We have included a new table to our Covid-19 Daily Update. The new table breaks down confirmed positive Covid-19 cases by date, starting March 10th to present. I would like to thank our Public Health Department for securing and providing our Covid-19 data so that we can keep the citizens of Beaumont informed.

As National Police Week comes to an end, I would be regretful if I didn't address Peace Officers Memorial Day today. In 1962, President John F. Kennedy signed a proclamation which designated May 15 as Peace Officers Memorial Day, which falls within National Police Week. Peace Officers Memorial Day pays tribute to local, state, and federal law enforcement officers who have made the ultimate sacrifice for our country. I would like to voice appreciation for all those who currently serve on the front lines of the battle against crime. Thank you to our local fallen officers and their families, who we will never forget.
