Status* of COVID-Test

Status of Confirmed Cases

Confirmed Cases by Age Range

Please see next page for further data and a message from Mayor Becky Ames.

* The accuracy of the Status of COVID-Test is dependent upon the availability of data received from participating agencies and healthcare providers as well as when it was received with respect to; Total Tested, Pending Results and Negative.

Daily Confirmed Cases by Date of Collection

****Disclaimer:** This is the official data collected by the City of Beaumont Public Health. The data being reflected on this graph is only valid as the number of participating healthcare providers and collection sites, and the accuracy of the data reported. All data used for planning purposes. There is a delay from the date of collection to when results are received by the Beaumont Public Health Department. Updates to the data are made daily by 4:00 PM.

A message from Mayor Becky Ames, May 28, 2020:

On May 26, Governor Abbott issued a proclamation expanding additional services and activities under his Phase II actions to safely and strategically open Texas. With his proclamation recreational sports programs for adults (starting May 31), driver education programs (effective immediately), and food-court dining areas within shopping malls (effective immediately) can begin to operate with limited occupancy and/or regulations.
