A message from Mayor Becky Ames, May 7, 2020:

On behalf of the City of Beaumont, I would like to thank Mark Simmons, Director of Technology for Sabine Pass ISD, and Jimmy Gaspard, Director of Technology for Kirbyville ISD, for working with members of the City of Beaumont Emergency Operations Center to design Personal Protective Equipment (PPE) that meets specific criteria needed for advanced procedures. They were able to use 3D technology to make PPE that addressed every concern for various uses and full decontamination. They not only designed and made the equipment, but donated enough to cover a critical need. Thank you for keeping our First Responders safe.

* The accuracy of the Status of COVID-Test is dependent upon the availability of data received from participating agencies and healthcare providers as well as when it was received with respect to; Total Tested, Pending Results and Negative.
