Confirmed Cases by Age Range

A message from Mayor Becky Ames, May 8, 2020:

Today we received word from Senator John Cornyn's office that Triangle Area Network, Inc. in Beaumont has received \$147,139 in grant funds to help expand the range of testing for Covid-19. The funding, which was appropriated by Congress last month, comes through the Department of Health and Human Services.

Also, today is the first day that cosmetology salons, hair salons, barber shops, nail salons/shops and other establishments where licensed cosmetologists or barbers practice their trade may open. All of the listed establishments must ensure they are following the Governor's guidelines. Tanning salons may open but must also abide by the Governor's guidelines.

* The accuracy of the Status of COVID-Test is dependent upon the availability of data received from participating agencies and healthcare providers as well as when it was received with respect to; Total Tested, Pending Results and Negative.
