Introduction

The City of Beaumont is located in far southeast Texas less than (30) thirty miles from the State of Louisiana western border. The City provides a full range of services to the general public. These services include police and fire protection; emergency medical and health services; sanitation services; public transportation; construction and maintenance of streets and infrastructure; recreational activities; and cultural events.

As a recipient of federal assistance, the City of Beaumont (City) is required to comply with various nondiscrimination laws and regulations, including Title VI of the Civil Rights Act of 1964. Additionally, the Civil Rights Restoration Act of 1987 defined the word “program” to make clear that discrimination is prohibited throughout an entire agency if any part of the agency receives Federal assistance.

Objectives

The objectives of the City of Beaumont’s Title VI plan are:

- To ensure that City’s compliance with Title VI to include compliance by the City’s grantees, sub-recipients, and related entities and to assign responsibilities for ensuring compliance;
- To ensure that all persons are able to receive the benefit of City programs, services, and activities;
- To ensure that limited English proficient (LEP) individuals are provided meaningful access to City programs, services and activities;
- To avoid, minimize or mitigate disproportionate adverse environmental effects, including social and economic effects, on communities of color and low income populations as a result of City programs, services and activities; and
- To establish clear procedures for filing, investigating, and successfully resolving complaints on a timely basis and at the lowest level possible.

Authorities

The authorities applicable to the City’s Title VI program are listed in Attachment 1.

Nondiscrimination Statement

The City of Beaumont, as a recipient of Federal financial assistance and under Title VI of the Civil Rights Act of 1964 and related statutes, ensures that no person shall on the grounds of race, religion (where the primary objective of the financial assistance is to provide employment per 42 U.S.C. § 2000d-3), color, national origin, sex, age or disability be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any Department programs or activities.

The nondiscrimination statement signed by the City Manager is located at Attachment 2.

Standard DOT Title VI Assurances

The Title VI Assurances are submitted to TXDOT every three years or when a new City Manager is placed in office.

The City’s signed Title VI Assurances are located at Attachment 3.
Organization/Staff Responsibilities

This section details how the City of Beaumont is organized.

Organization

The organizational chart located at Attachment 4 depicts the main structure of the City of Beaumont and where the Title VI responsibilities are assigned.

Delegation of Authority and Responsibility

The Housing Program Specialist serves as Beaumont’s Title VI Coordinator. With support from the City’s administration, the Housing Program Specialist is responsible for all aspects of the Title VI Program and has been delegated sufficient authority and responsibility to effectively carry out the duties assigned to this position.

Staff Responsibilities

The City’s Title VI program falls within the scope of responsibilities of the Title VI Coordinator.

Title VI Coordinator

The Title VI Coordinator (Coordinator) works to ensure there is a demonstrated commitment on the part of senior level authority to enforce Title VI and is responsible for the overall Title VI program implementation. Specifically, the Coordinator has the authority and responsibility to implement the civil rights program by:

- Ensuring that Title VI requirements are included in policy directives.
- Assisting City personnel to correct Title VI problems or discriminatory practices or policies found through self-monitoring and review activities.
- Being the point of contact for Title IV implementation and monitoring of programs and activities receiving federal financial assistance.
- Reviewing documents as needed for compliance with Title VI to ensure that procedures used have safeguards to prevent discrimination;
- Conducting Title VI compliance reviews of City departments;
- Developing Title VI training material and conducting training sessions and workshops;
- Developing Title VI information for dissemination to the public and, where appropriate, in languages other than English; and
- Coordinating the investigation of Title VI complaints of discrimination in accordance with the City’s External Complaint Processing Procedures.
- Maintain meeting agenda/minutes demonstrating the civil rights requirements are being met.

Title VI Liaisons

Coordination with City Departments will be crucial in carrying out the activities of Title VI. Each department who has either been designated as a Program Emphasis Area or a Federal Program Area will assign a Liaison to work with the Coordinator. Program emphasis areas (PEAs) have significant impacts on the public and businesses but do not receive federal funding. Federal Program Areas (FPAs) are departments who receive federal funding. The Coordinator along with the Liaisons will make up the Title VI Team.
Complaint Disposition Procedures

Internal Complaints

Policy Statement

It is the policy of the City of Beaumont to identify and remove barriers to employment and promotion for all individuals, and to make aggressive efforts to attract and assist members of historically disadvantaged groups to qualify for employment and promotion.

In keeping with the above, it is the policy to select, develop, and promote applications and employees based on objective measures without discrimination on the basis of race, color, religion, sex, national origin, age, political affiliation, or disability or any other non-job related characteristic. Similarly, the City shall administer all other human resources matter, such as compensation, benefits, transfers, and layoffs, in accordance with this policy. It is also the policy of the City to maintain a working environment free of harassment and intimidation, and to foster the fair and respectful treatment of employees and individuals interested in employment with the City.

Complaints

Discrimination complaints made by employees are handled by the Human Resources department and have a separate complaint procedure. The Director of Human Resources serves as the Equal Employment Opportunity Officer. The procedure can be found in the City's website at http://CityofBeaumonttexas.gov. The form is available to City employees in the public drive as explained in the policy.

External Complaints

Any external person who believes that he or she, individually, as a member of any specific class, or in connection with any disadvantaged business enterprise, has been subjected to discrimination prohibited by Title VI of the Civil Rights Act of 1964, as amended, may file a complaint with the City. A complaint may also be filed by a representative on behalf of such a person. All complaints will be referred to the Title VI Coordinator for review and action.

Roles and Responsibilities

The Coordinator is charged with ensuring Title VI complaints received by the City are processed in accordance with the City’s Complaint Handling Procedures outlined in this plan, which include maintaining a complaint log, using form letters, investigative plans, reports, and investigation formats.

Timeframe for Filing Complaints

In order to have the complaint considered under Title VI, the complainant must file the complaint no later than 180 days after:

- The date of the alleged act of discrimination; or
- The date the person(s) became aware of the alleged act(s) of discrimination; or
- Where there has been a continuing course of conduct, the date on which that conduct was discovered.

In either case, City or its designee may extend the time for filing or waive the time limit in the interest of justice, specifying in writing the reason for so doing.
Processing Complaints

Complaints submitted shall be in writing and must be signed by the complainant and/or the complainant’s representative. Complaints shall set forth as fully as possible the facts and circumstances surrounding the claimed discrimination. In the event that a person makes a verbal complaint of discrimination to an officer or employee of the City, that person shall be interviewed by the Coordinator and assist in reducing the complaint to writing and submit the written version of the complaint to the person for signature. The complaint shall then be handled in the usual manner.

Within 10 days of the receipt of the complaint, the Coordinator will acknowledge receipt of the allegation, inform the complainant of action taken or proposed action to process the allegation.

Transportation related complaints filed under Title VI with City in which City is named as the respondent will be forwarded to TxDOT for investigation within 10 days of receipt of the allegation. The City will provide the following information in every notification to TxDOT:

- Name, address, and phone number of the complainant
- Name(s) and address(es) of alleged discriminating official(s)
- Basis of complaint (i.e., race, color, national origin, sex, age, disability)
- Date of alleged discriminatory act(s) – Date of complaint received by the City Title VI/Nondiscrimination Plan 6 – A statement of the complaint
- Other agencies (state, local or Federal) where the complaint has been filed
- An explanation of the actions the City has taken or proposed to resolve the issue raised in the complaint.

The City’s External Discrimination Complaint Form is available in both English and Spanish as Attachment 5.

Investigative Process

The Coordinator will review every complaint, determine the most appropriate fact finding process, and when necessary, assign a neutral party to investigate. At a minimum, the investigation will include:

- Review of all relevant documents, practices, and procedures
- Identify and interview persons with knowledge of the alleged Title VI violation.

No information is disclosed with City personnel or any other party not involved in the investigative process.

Preparing the Report of Investigation

Within 30 days of receipt of the complaint, the Coordinator or designated investigator will complete a Report of Investigation (ROI) setting forth all the relevant facts obtained during the investigation. The ROI will include a finding for each issue and recommendations where necessary. Documentation regarding any attempts and outcomes that were made to resolve the complaint prior to the initial receipt of the written complaint will be summarized in the ROI.

The final report will be sent to the Department Head of the department involved with a copy to the City Attorney’s Office and the complainant.

If no violation is found and the complainant wishes to appeal, the complainant may appeal directly to the City Manager’s Office at:

- Respondent’s name – Basis(es) of the discrimination complaint
- Allegation(s)/Issue(s) surrounding the discrimination complaint

- Date the investigation was complete
- Disposition
- Disposition date
- Other pertinent information

The City Attorney’s Office maintains a separate record of lawsuits of discrimination. The data from both logs will be included in the Annual Work Plan and Accomplishments Report.

Internal Monitoring Program

This section includes information on the City’s Title VI internal monitoring program which includes data collection/data analysis/data reporting and federal program areas process reviews procedures.

Data Collection/Data Analysis/Data Reporting

Statistical data on race, color, national origin, sex, age, and disability of participants in and beneficiaries of the City’s programs will be gathered annually and analyzed to determine the investment benefits and burdens to the population, including minority and low-income populations. Beneficiaries include relocates, impacted citizens, and affected communities. Collecting, analyzing, and maintaining statistical data are crucial elements of a Title VI/Nondiscrimination enforcement program because they constitute an effective mechanism by which to numerically assess the reach and impact of program funds.

The City’s federal program areas will be notified through a memorandum sent from the Coordinator to the director of each department’s federal program area to submit a data analysis report. The Coordinator will work with the federal program areas to identify where data needs to be analyzed. Data analysis results will be included in the Title VI / Nondiscrimination Annual Work Plan & Accomplishment Report.
Annual Reviews of Federal Program Areas

The Coordinator conducts annual reviews of special emphasis program areas to determine the effectiveness of program area activities at all levels.

Federal Program Areas Process Reviews Procedures

In addition to the annual review of special emphasis areas, the Coordinator will work with Federal Program Areas in performing annual Title VI/Nondiscrimination Program Process Reviews. These process reviews will focus on a specific federal program area segment. Each Federal Program Area will be responsible for the following:

- Identify the processes that impact the public;
- Schedule reviews to cover all the identified processes within a 3 year period to ensure compliance with this plan;
- Develop and submit a report to the Coordinator.

The Coordinator will summarize the results for inclusion in the Title VI/Nondiscrimination Annual Work Plan & Accomplishment Report.

Federal program areas may also be identified for a more in-depth Title VI review based on several factors:

- The potential Title VI impacts of the program or activity;
- To follow up on Title VI related recommendations made during a previous review;
- To ensure nondiscrimination in a program or activity that has received Title VI complaints.

Findings

Deficiencies found during the internal monitoring process will be documented on a corrective action plan (CAP) by the department within a period not to exceed 30 calendar days. The CAP will include:

- The deficiency
- Applicable laws, rules, regulations
- Actions to be taken by the Coordinator to correct the deficiency
- The timeframe to correct the deficiency
- Plan for monitoring the progress of the corrective action plan

The CAP will be submitted to the Coordinator for approval. Once approved, the department will implement the action plan and provide periodic updates. If necessary, the Coordinator will update the Title VI Plan and the departments will update its procedures to reflect the outcome of the CAP. The CAP and its results will be included in the Title VI/Nondiscrimination Annual Work Plan & Accomplishment Report to the TXDOT.

Follow-up Monitoring

The Coordinator will determine if additional monitoring is needed to ensure on-going compliance with Title VI requirements.

External Monitoring Program

In addition to the internal monitoring program, the City is responsible for developing and implementing an effective external monitoring program. The Coordinator will work with Federal Program Area's within each department in identifying subrecipients for review. Priority for conducting reviews will be given to those Local Public Agencies (LPAs) with the greatest potential of impact to those groups covered by the Act.
Title VI/Nondiscrimination-Related Training Component

The City’s Title VI/Nondiscrimination Training Program consists of an Internal and External component.

Internal

The Coordinator works with the City’s Human Resources Department – Organizational Development to coordinate the delivery of training courses.

Additionally, the Coordinator staff and the Title VI-Team meet periodically throughout the year to provide opportunities to discuss practical situations and how Title VI/Nondiscrimination requirements apply and may be useful.

External

As part of Title VI reviews conducted by the Coordinator, the Title VI Coordinator maintains information on the City’s Website; posters are placed at various public buildings or shown on City monitors.

Public Participation Plan

The City maintains a Public Participation Plan that details how the City notifies the public regarding its programs, solicits their comments, and addresses their comments in final documents. Additionally, the plan outlines how the public is notified regarding public hearings and public meetings, collects comments at these meetings, and addresses these comments.

The City’s Public Participation Plan is attached.

Environmental Justice (EJ) Plan / Process

Environmental justice is the fair treatment and meaningful involvement of all people regardless of race, color, national origin, or income with respect to the development, implementation, and enforcement of environmental laws, regulations, and policies. It will be achieved when everyone enjoys the same degree of protection from environmental and health hazards and equal access to the decision-making process to have a healthy environment in which to live, learn, and work.

TXDOT defines three fundamental environmental justice principles for the Federal Highway Administration and the Federal Transit Administration as follows:

- To avoid, minimize, or mitigate disproportionately high and adverse human health and environmental effects, including social and economic effects, on minority populations and low-income populations.
- To ensure the full and fair participation by all potentially affected communities in the transportation decision-making process.
- To prevent the denial of, reduction in, or significant delay in the receipt of benefits by Title VI/Nondiscrimination Plan 11 minority and low-income populations. In 1994, President Clinton issued Executive Order 12898, "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations." Executive Order 12898 requires that achieving EJ must be part of each federal agency's mission. Agency programs, policies and activities can lead to health and environmental effects that disproportionately impact minority and low-income populations.

The City of Beaumont will incorporate EJ policies in its Public Participation Plan.
Language Access Plan (Limited English Proficiency)

Executive Order 13166, entitled "Improving Access to Services by Persons with Limited English Proficiency (LEP)" requires Federal agencies to assess and address the needs of otherwise eligible persons seeking access to federally conducted programs and activities who, due to limited English proficiency, cannot fully and equally participate in or benefit from those programs and activities.

LEP individuals are those who do not speak English as their primary language and have a limited ability to read, write, speak, or understand English as a result of their national origin. These individuals may be entitled to language assistance with respect to a particular type of service, benefit, or encounter.

The U.S. Department of Justice LEP Guidance advises each Federal department or agency to "take reasonable steps to ensure ‘meaningful’ access to LEP individuals to the information and services they provide." It further explains that the identification of "reasonable steps" to ensure meaningful access will be contingent on a number of factors. Among the four factors to be considered are:

- The number or proportion of LEP persons in the eligible service population
- The frequency with which LEP individuals come in contact with the program
- The importance of the service provided by the program
- The resources available to the agency.

The City has prepared a Limited English Proficiency Plan to ensure information and services are accessible to LEP individuals by providing guidance on translation, interpretation, and outreach services for LEP individuals seeking access to City programs. The plan applies the four-factor framework, which is consistent with the TXDOT LEP Guidance.

The City’s Public Participation Plan is attached.

External Communication – Notification to Stakeholders

The City provides information to the public detailing its Title VI/Nondiscrimination obligations and notifies members of the public of the protections against discrimination afforded to them by Title VI and other nondiscrimination requirements.

Dissemination of Information

A poster detailing an individual’s rights under Title VI will be available in English and in Spanish at public buildings and accessible on the City’s website. The poster is included as Attachment 7.

Reporting to TXDOT

The City will submit the Title VI/Nondiscrimination Plan for approval and will submit a Title VI/Nondiscrimination Annual Work Plan & Accomplishment Report to TXDOT annually by October 31. The Title VI/Nondiscrimination Annual Work Plan & Accomplishment Report will update TXDOT on an annual basis regarding how the City is monitoring the implementation of the Title VI/Nondiscrimination Plan.

(See also U.S. DOT's "Policy Guidance Concerning Recipients' Responsibilities to Limited English Proficient (LEP) Persons," dated December 14, 2005, (70 Fed.
