Status of Confirmed Cases

Confirmed Cases by Age Range

Please see next page for further data and a message from Mayor Becky Ames.

* The accuracy of the Status of COVID-Test is dependent upon the availability of data received from participating agencies and healthcare providers as well as when it was received with respect to; Total Tested, Pending Results and Negative.

Daily Confirmed Cases by Date of Collection

****Disclaimer:** This is the official data collected by the City of Beaumont Public Health. The data being reflected on this graph is only valid as the number of participating healthcare providers and collection sites, and the accuracy of the data reported. All data used for planning purposes. There is a delay from the date of collection to when results are received by the Beaumont Public Health Department. Updates to the data are made daily by 4:00 PM.

A message from Mayor Becky Ames, June 4, 2020:

Effective yesterday, June 3, as noted in Governor Abbott’s Executive Order GA-26 (Phase III of the State’s re-opening) all businesses currently operating at 25% capacity can expand their occupancy to 50% with certain exceptions. Bars and similar establishments may increase their capacity to 50% as long as patrons are seated. Amusement parks and carnivals in counties with less than 1,000 confirmed positive cases may open at 50% capacity. Restaurants may expand their maximum table size from 6 to 10 persons.
