Status of Confirmed Cases

Confirmed Cases by Age Range

Please see next page for further data and a message from Mayor Becky Ames.

* The accuracy of the Status of COVID-Test is dependent upon the availability of data received from participating agencies and healthcare providers as well as when it was received with respect to; Total Tested, Pending Results and Negative.

Daily Confirmed Cases by Date of Collection

****Disclaimer:** This is the official data collected by the City of Beaumont Public Health. The data being reflected on this graph is only valid as the number of participating healthcare providers and collection sites, and the accuracy of the data reported. All data used for planning purposes. There is a delay from the date of collection to when results are received by the Beaumont Public Health Department. Updates to the data are made daily by 4:00 PM.

A message from Mayor Becky Ames, June 6, 2020:

We had 140 people in the Beaumont area tested for Covid-19 at our City of Beaumont testing site on College Street June 4th-5th. We would like to thank Riceland Healthcare again for partnering with the City to provide testing. Thank you to all healthcare facilities in the City that have had a part in providing Covid-19 testing and treatment to our citizens.
