If no recorded map or plat, metes and bounds description shall be attached. The actual construction shall be in conformance with provisions of all ordinances of the City of Beaumont and laws of the State of Texas, whether specified herein or not, and in accordance with Plot Plan which must be drawn to scale. *It must show: (1) the actual shape and dimensions of the lot to be built upon; (2) the street of streets adjoining the lot; (3) the exact size and location on the lot of presently existing structures, if any and proposed addition. (4) The exact size and location on the lot of the proposed structure; (5) water meter & sewer line locations; (6) driveway locations. This application is to be accompanied by two (2) complete sets of construction plans and (2) plot plans.

Common renovation activities like sanding, cutting and demolition can create hazardous lead dust and chips by disturbing lead-based paint in pre-1978 construction, which can be harmful to adults and children. To protect against this risk, EPA issued this new rule on April 22, 2008, which requires the use of lead-safe work practices and other actions aimed at preventing lead poisoning. I understand that I must comply with ENVIRONMENTAL PROTECTION AGENCY 40 CFR PART 745 { EPA-HQ-OPPT-2005-0049; FRL-8355-7} RIN 2070-AC83 Lead, Renovation, Repair and Painting Program, on all pre-1978 residential construction. This permit is subject to any easements of record and in no way supersedes any such restrictions. It is the property owner's responsibility to determine if there are any easements and/or restrictions on the use of his or her property. Approval of a building permit does not ensure that the proposed work does not violate an easement unless expressly noted on the permit.

****NOTE:** The City of Beaumont is not responsible for the location of any utility easements and/or deed restrictions associated with the subject property. It is the sole responsibility of the HOMEOWNER and/or CONTRACTOR to identify any utility easements and/or deed restrictions before construction.
