The data being reflected on this graph is only valid as the number of participating healthcare providers and collection sites, and the accuracy of the data reported. All data used for planning purposes. There is a delay from the date of collection to when results are received by the Beaumont Public Health Department. Updates to the data are made daily by 4:00 PM.

A message from Mayor Becky Ames, July 7, 2020:

Please utilize facial coverings in abundance with the Governor's order to slow the spread of Covid-19. The Governor provided the following guidance regarding the mask policy he has issued:

“Following a verbal or written warning for a first-time violator of this face covering requirement, a person's second violation shall be punishable by a fine not to exceed \$250. Each subsequent violation shall be punishable by a fine not to exceed \$250 per violation.

Local law enforcement and other local officials, as appropriate, can and should enforce this executive order, Executive Order GA-28, and other effective executive orders, as well as local restrictions that are consistent with this executive order and other effective executive orders.

But no law enforcement or other official may detain, arrest, or confine in jail any person for a violation of this executive order or for related non-violent, non-felony offenses that are predicated on a violation of this executive order; provided, however, that any official with authority to enforce this executive order may act to enforce trespassing laws and remove violators at the request of a business establishment or other property owner. This executive order hereby prohibits confinement in jail as a penalty for the violation of any face-covering order by any jurisdiction.”
