DISCLAIMER: * The accuracy of the Status of COVID-Test is dependent upon the availability of data received from participating agencies and healthcare providers as well as when it was received with respect to; Total Tested, Pending Results and Negative. Recovered - release of individual from self-isolation/quarantine as defined by CDC guidelines.

Daily Confirmed Cases by Date of Collection

****Disclaimer:** This is the official data collected by the City of Beaumont Public Health. The data being reflected on this graph is only valid as the number of participating healthcare providers and collection sites, and the accuracy of the data reported. All data used for planning purposes. There is a delay from the date of collection to when results are received by the Beaumont Public Health Department. Updates to the data are made daily by 4:00 PM.

A message from Mayor Becky Ames, August 14, 2020:

- We lost one of our own in a terrible accident this past Sunday: Beaumont Police Officer Sheena Yarbrough-Powell. Beaumont Police Officer Gabriel Fells was also injured in the accident and we will be with him every step of the way as he recovers. Please keep these officer’s families, including their police family, in your thoughts and prayers. Also in our prayers is the family of Jefferson County Correctional Officer, Dudley Champ, who passed on Monday from Covid-19. Both officers served their community courageously and will not be forgotten.
- After this week, the National Guard Mobile Testing Team will cease community covid-19 testing in Beaumont. There will still be numerous private facilities that citizens can utilize for testing. Private facilities that we know of that are performing covid-19 tests in Beaumont:

- MedExpress- 3565 College
- AFC URGENT CARE- 3195 Dowlen
- TAN Healthcare- 1495 N. 7th
- Legacy Healthcare- 450 N. 11th St., and 3455 Stagg (pediatric)
- Beaumont Emergency Care- 4004 College
- Exceptional Emergency Care- 4755 Eastex Frwy
- CVS Pharmacy-2950 Dowlen, 3890 Phelan, and 6850 Eastex Frwy
- Christus Promptu Care- 4046 Dowlen
- People’s Urgent Care- 3255 N. Major Drive

(Continued on next page)

- Persons who test positive for Covid-19 are encouraged to purchase a pulse oximeter to monitor their oxygen saturation. For a reading of 93, persons are encouraged to notify their physician. If the oxygen level drops below 92, persons are encouraged to seek medical attention immediately. Pulse oximeters are available for about \$25.00 on Amazon.com.
- Your plasma could be a key to the cure of Covid-19. If you have recovered from or have been in contact with anyone who had Covid-19, you can contact Telice Terro, Baptist Hospital Research RN @ 409-212-5979 or email CP@harborhcs.com to donate your plasma.

COVID-19 AWARENESS

*Pulse Ox Meter
measures your
oxygen saturation
in blood*

Average cost \$25

"I encourage you to purchase a pulse ox to monitor your oxygen saturation. If this level drops below 92 please seek medical attention immediately."

Gamar Arfeen, MD, FCCP
Pulmonary & Critical Care
Lead Intensivist of Baptist COVID-19 Unit
