FOR IMMEDIATE RELEASE

Beaumont Animal Care to Host a Three Day Adoption Event

May 24, 2021

Beaumont, Texas:

Memorial Day weekend is coming up and Beaumont Animal Care is celebrating with a three day adoption event! The shelter is over capacity with over 140 animals being housed and adopters are desperately needed. Join Beaumont Animal Care from May 26th through May 28th as they host their Memorial Weekend Adoption event.

The Memorial Weekend Adoption event will have reduced fees of \$20. Included in the reduced fee is the animal's spay/neuter, microchip, and they're up to date on vaccines. Beaumont Animal Care will be open from 10AM till 5PM. The shelter is open for walk-ins but appointments may still be made between 10AM till 4:30PM. COVID-19 precautions are being followed, meaning it is recommended that everyone wear a mask. Due to social distancing and the number of people in the shelter, potential adopters may be asked to wait in their vehicles.

You can visit the shelter at 1884 Pine St. Beaumont, TX 77703. For more information regarding adopting, call us at (409)838-3304 or contact us on our Facebook page "Beaumont Animal Care". We cannot wait to find families for our deserving cats and dogs!
