Art to Go: We're doing an art project with Andy Gardner and the Art Museum of Southeast Texas.

BAD Art: A challenge for teens- how bad can you make your artwork?

Disney Matinee: Join us for a different Disney movie every Friday afternoon.

Family Story Time: Story time and a nature craft at the Beaumont Botanical Gardens.
6088 Babe Zaharias Dr, Beaumont, TX 77705

Fire Cracker Slime: Have a "blast" making this slime, just in time for the 4th of July!

Hangin' with my Peeps: 1 Peep, 2 Peeps, 3 Peeps - Come for the Peeps, stay for the taste test...

Harry Potter Movies 1 – 8: One movie will be shown each Saturday June 4 – Aug 6.
*No movie July 2 and July 23.

HEB Buddy: Meet and join Buddy the HEB mascot for fun and games!

K-9: Have a tail-waggin' good time meeting K-9 officers of the Beaumont Police Dept.

Mother Goose Story Time: This special story time is just for children that are not yet walking and their care-giver. Numbers are limited so tickets are required. *Tickets will be handed out beginning 30 minutes before the session.

Play Dough: Make your own playdough.

Pre-K Story Time: Join in the fun with stories, songs, puppets and more that encourage development of early literacy skills in young children.

Rock Painting: We provide the rocks and the paint – you provide the creativity.

Star Wars Movies Episodes 1 - 6: One movie will be shown each Saturday June 4 – July 16.
*No movie July 2.

Kentucky Derby: Join us for our Texan version of the Kentucky Derby. Create and race your own mini--horse, while taking part in the Derby Festivities!

Skins & Skulls: A ranger from the Big Thicket National Preserve will visit the library. Get hands on with skins and skulls of animals that can be found in Southeast Texas.

Star Wars Movies Episodes 1 - 6: One movie will be shown each Saturday June 4 – July 16.
*No movie July 2.

STEAM CAMP!
Event Centre
700 Crockett St.
9 AM -12 Noon

STEAM CAMP! Focusing on science, technology, engineering, art, and math, STEAM Camp is perfect for youth looking for a challenging, creative, and comprehensive experience this summer. Working in creative spaces using their imaginations and a wide variety of materials, kids will design their own inventions and solve problems both independently and collaboratively. Youth will question, explore, and understand their world through an enlightening variety of scientific and technological lenses. Experienced community members and library staff facilitate a challenging and innovative program of study using hands-on experimentation and technology.

Topics may include: Music Visual Effects Horticulture Engineering Art Physics and Mechanics
