TumbleBooks for Beaumont Public Library Patrons

About the TumblePremium:
The TP is a collection of **TumbleBooks** (animated, talking picture books) with fiction, non-fiction and foreign language titles, ***Math Stories, Read-Alongs*** (chapter books with sentence highlighting and narration but no animation), ***Videos*** (from National Geographics), ***TumbleTV*** which consists of pre-set playlists of a sequence of books and ***Games*** TumbleBooks are created from existing picture books which we have licensed from children's book publishers and converted to the TumbleBook format.

iPads and Non-Flash Mobile Devices:
You can also access the site using any reading/mobile device that has an internet connection (for example: color nook, kindle fire, iPads & iPod touch).

For iPads and any non-flash mobile devices:
- Log onto the account first, and then at the top right corner where it says "Choose English" you switch it over to say "Choose Mobile" and this will switch you over to the mobile version.

Navigating the Site:
You may want to explore the site by checking out all the books, games and features. Our catalogue has book descriptions, book reviews, and author/illustrator/publisher information. You can view a TumbleBook by clicking on the 'View Online" button or on the cover of the book. There are a number ways you can access a book:

1. The index page lists all the TumbleBooks. Click on the title (hyperlink) and you will be taken right to that TumbleBook.

2. Scroll through the collection in any of the sections to read the descriptions and view the reading levels.

MyFavorites:
Add your favorite title(s) to the **My Favorites** section for easy access any time. This feature is cookied onto individual computers.

MyCloud:
This feature allows patrons to create secondary accounts and create customized playlists that can be access from **any** computer!

Featured:
Having trouble deciding what to read on a rainy day? Check out Featured to view books recommended by students, teachers, librarians and our very own staff!

TumbleSearch:
Our online search allows you to search by title, author, publisher, language, keyword, and reading level.

Automatic/Manual Button*:*
TumbleBooks are designed to be experienced in either automatic or manual mode. In automatic mode, the pages turn by themselves and are narrated; in manual mode, the readers turn the pages at their own speed.

The Pause Button: Both the student and teacher can use the pause button to stop the story at any time in order to practice story prediction, interpret pictures, discuss new vocabulary words, empathize with a character, discuss possible consequences of actions, encourage problem solving, or provide historical, geographical, or other perspectives.

Reading Levels:
Each title has recommended reading levels: Grade, Lexile and Accelerated Reader information. Click on the reading level to see other books at the same level.

TumbleGames:
The TumblePuzzles and TumbleGames are great educational tools.

TumblePlayer:
The TumblePlayer allows students, teachers, librarians and parents to preload a number of TumbleBooks in an online player in order to be played one after another. Perfect for library story time. The TumblePlayer works just like an online music player.

Language Learning:
Our Language Learning section has a growing collection of books in Spanish and French.

Navigate en Español/ en Français:
Our drop down menu on the top right hand corner of the site allows you to view the entire site in Spanish or French.

_____

We are sure that you will love your experience with the TP, and it will soon become an invaluable educational resource to you. We are constantly adding new books, puzzles and games as well as other teaching resources. As always, we welcome your questions, comments and general feedback. We look forward to a long and successful relationship with your school.
